

CONGRATULATIONS ON YOUR FORTHCOMING MARRIAGE!

Choosing the right photographer for your wedding is one of the most important decisions you will need to make for your special day.

After all, when the champagne is drunk and the honeymoon tan is fading it is your photographs that will be the biggest reminder of what we hope will be one of the best days of your life.

In this pack you will find details of all our wedding photography services. We hope you will like what you see and be inspired to give us a call.

Here are a few of the benefits of choosing Take One Photography

- ◆ Natural, relaxed and beautiful photographs.
- ◆ A photographer with qualifications from the British Institute of Professional Photography and 25 years of professional experience.
 - ◆ Free travel within a 40 mile radius.
 - ◆ On line viewing and ordering of photographs.
- ◆ A friendly and responsive approach to your needs and wishes.
 - ◆ Discounts for weekday weddings.
- ◆ The latest in professional digital equipment, regularly serviced.
- ◆ Complete professionalism, from pre-wedding consultation and unobtrusive wedding day coverage to delivery of elegant contemporary albums.
